This ISOC Member Arbitration Agreement (Arbitration Agreement) is incorporated as part of the ISOC Membership Application and is to be read, understood, and agreed to by all ISOC membership applicants as part and condition of submission, acceptance, and processing of this application.

In the event that I have any claim or dispute with or against the Islamic Society of Orange County (ISOC) and/or Orange Crescent School (OCS), or with any of their respective officers, members, employees, and representatives (collectively, ISOC Parties), or if I am involved in any controversy arising out of or involving the respective Articles of Incorporation, By-Laws, or decisions of the ISOC Majlis E-Shura, OCS, OCS Board, and/or committees formed pursuant to the By-Laws or by the Majlis-E-Shura, I hereby agree to submit any such matter to final and binding arbitration, pursuant to the provisions of the California Code of Civil Procedure, Section 1280 et seq., or amended statutes, within one year of the time such matter arises. Furthermore, in the event that I have any claim or dispute with or against any other person where such claim or dispute arises out of or otherwise relates to the Articles of Incorporation, By-Laws, or decisions of the ISOC Majlis-E-Shura, OCS, or OCS Board and/or committees formed pursuant to the By-Laws, I hereby agree to submit any such matter to final and binding arbitration, pursuant to the California Code of Civil Procedures, Section 1280 et seq., or amended statutes, within one year of the time such matter arises. Any such disputes shall be resolved by an arbitrator mutually agreed upon between the relevant ISOC Parties, or such other person, as the case may be, and myself. In case we cannot agree on an arbitrator, then each of us will nominate a Muslim to act as our nominee, and these nominees shall in turn select a third Muslim to act as the arbitrator of the dispute. I further agree that such arbitration shall be the exclusive forum for any such dispute. If any of the relevant ISOC Parties does not receive any written request for arbitration from me within one year of the date the dispute arose, I agree that I will have waived any right to raise a claim, in any form, arising out of such dispute. I further expressly agree that in arbitration, my exclusive remedy shall be:

- a) To seek rescission of any act that I deem to have been wrongly undertaken by the relevant ISOC Parties, or such other person, as the case may be, or
- b) To force the relevant ISOC Parties, or such other person, as the case may be, to perform tasks required of it under the Articles of Incorporation, By-Laws, and any effective resolutions.

I expressly waive any claims for damages, actual or punitive, save and except to the extent of membership dues (if any) paid by me. The cost of the arbitration shall be borne by the losing party or in such proportion as the arbitrator shall decide. I understand that by executing this Arbitration Agreement, I waive my right to a trial by a judge and/or jury and I hereby expressly waive such right, except to enforce a legally binding arbitration decision. Should any of the provisions of this Arbitration Agreement be unenforceable, the remaining provisions shall remain in full force and in effect and shall be construed in the most favorable manner so that any dispute involving the parties is resolved by binding arbitration. I understand and agree that this Agreement represents and expresses the complete agreement between the ISOC Parties and me regarding any acts or omissions of the ISOC Parties. I further agree that this Arbitration Agreement may only be modified or changed in writing and signed by both, me and an authorized representative of the ISOC Parties.

Submission of this application to ISOC will indicate full agreement to all terms of this Arbitration Agreement, which is incorporated as part of the application for admission. If you do not agree with any of these provisions, please do NOT submit this application.
